

Delta Stewardship Council meeting includes tour

The Delta Stewardship Council (DSC) will meet August 28 at the Big Break Visitor Center, 69 Big Break Road in Oakley. A Council tour of the Antioch Dunes and Dutch Slough precedes the meeting. A map of the tour's locations is [here](#). The public may join the Council members at the various locations listed on the map. However, transportation and food will not be provided.

Also, here is the Council's [Delta Levee Investment Strategy](#).

DWR will conduct preseason flood coordination meetings

The Division of Flood Management, DWR, will conduct preseason flood coordination meetings in September and October at various locations throughout the state. Flood managers, flood agencies, and emergency responders are invited to share information about flood response and resources for the upcoming winter. Dates and times for these meetings are [here](#).

Also, DWR has released an [Errata](#) showing corrections to Section 8 and Section 13 of the Delta Risk Management Strategy [Phase 2 Report](#).

Panel report posted on interior Delta flows and related stressors

The Delta Science Program has posted an [independent scientific review panel report](#) on interior Delta flows and related stressors. The report was prepared in support of the State Water Resources Control Board's review and update of the Bay-Delta flow objectives to protect beneficial uses in the Bay-Delta watershed.

Seminar title is "Climate, Drought, and Change"

The Delta Science Program, Ecosystem Restoration Program, and Surface Water Ambient Monitoring Program will present a seminar on August 25 in Sacramento, titled ["Climate, Drought, and Change"](#), by Michael Anderson, State Climatologist, Department of Water Resources. This seminar will examine the meteorology and hydrology of the past three water years and place current conditions within the context of observed decadal variation and longer historical climate records.

CVFPB meeting includes conservation strategy update

The Central Valley Flood Protection Board (CVFPB) will meet August 22 in Sacramento. [Agenda](#) items include updates on the conservation strategy, permit database and program process enhancements, and notification to local maintaining agencies of unacceptable operation and maintenance activities as reported by DWR.
